Terms and Conditions

Hire Times

A standard order will be on hire to you for 3 days. If you require a longer hire period, a price will be agreed on the time of order.

Delivery and Collection

We are very happy for you to collect your crockery and accessories from our shop, therefore avoiding any delivery or collection charges. However, if you prefer for us to deliver and collect the goods for you, there will be a flat rate charge of £40 within a 40 mile radius of 'The Little Welsh Dresser'. Outside of this area we will discuss the delivery/collection charge at the time of your order.

Cancellation

Should you need to cancel your order, we require 30 days notice of the agreed delivery/collection date and we will fully refund your deposit.. However if cancellation takes place within 30 days of the agreed delivery/collection date your 50% pre paid deposit is non-returnable. Please make your cancellation by either phoning the shop on 01558 824573 or emailing hello@thelittlewelshdresser.com

Packaging

All of your items will be packaged carefully and must be returned to our shop having been repackaged with due care and placed back into their original boxes or crates. The crockery is obviously fragile and if you choose to avoid a washing up surcharge and wish to wash the items yourself it is imperative that they are hand washed and dried with care. These vintage items were obviously not designed for dish washers!

Linen

Please make sure that any linen is dry and free of debris before being packed away. If they are left damp they are highly susceptible to mildew. Damage caused by mildew, cigarettes, candle burns, or heavy staining will be charged at full replacement cost (see attached for costs).

Charges and Damages

When your order is placed you will be asked to secure it with a 50% payment of the value of your total order. The balance will then be payable 30 days prior to your delivery date. In addition there will be a £150 standard damage deposit which is payable at the same time as your balance but with a separate cheque. This cheque will not be cashed and will be returned once all items have been checked and the order is deemed to be complete and in good order. If there is any damage or breakage upon return of your order, each item will be deducted from the £150 damage deposit according to our replacement/damaged price list.

Checking and Signing

It is very important that you check your items carefully upon delivery and sign the accompanying delivery note accordingly. Please bring to our attention any problem with your delivery at this time.

Upon signing you are fully responsible for the care of all items and are expected to return them to us in good order.

Cleaning

As previously mentioned we are very happy to take care of the cleaning of all items upon their return. Please scrape all surfaces clean of food before repackaging. Should you require a washing service, please request at time of order. This service will be charged at 20% of the value of the total hire charge.

Insurance

For your peace of mind we strongly recommend that a suitable insurance be taken out by yourself as all equipment is the responsibility of the hirer until return or collection, including equipment left at other premises. Any losses, damage or breakages will be charged accordingly.

Liability

We will accept no responsibility for damage or injury caused to person or product as a result of this hire arrangement, unless negligence on the part of The Little Welsh Dresser can be shown. All goods are hired and are the responsibility of the hirer until they are returned to The Little Welsh Dresser.
